

## RECUPERADOR DE CALOR A PELLETS EXTRAFLAME - COMFORT PLUS

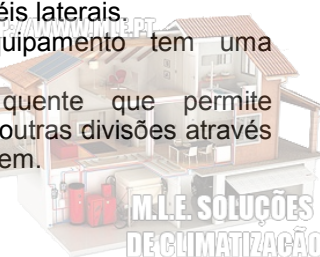

MODELO  
**COMFORT PLUS**

Potência  
**12.0 KW**

Aquecimento até  
**320 M<sup>3</sup>**

Um dos recuperadores de calor encastráveis a pellets mais potente do mercado, adaptável a qualquer tipo de lareira graças ao sistema de regulação dos painéis laterais. Este equipamento tem uma saída de ar quente que permite aquecer outras divisões através de tubagem.

### Caraterísticas Técnicas

 Dimensões	702x576x636 mm	 Ventilador de convecção	Sim
 Peso	161 kg	 Controle remoto	Sim
 Diâmetro da Extração	80 mm	 Termostato interno	Sim
 Área de aquecimento	320 m <sup>3</sup>	 Termostato Sobreaquecimento	Sim
 Potência termica nominal	2,9-11,2 kW	 Ligação Termostato externo	Sim
 Potência termica global	3,0-12,0 kW	 Consumo Eléctrico	100-130 W
 Eficiência	>91 %	 Tiragem	~1 mm H <sub>2</sub> O
 Consumo por hora	0,6-2,5 kg/h	 Tubo de admissão de ar externo	50 mm
 Capacidade do depósito	~ 16 kg	 Programação Semanal	Sim
